# JUMPSTART PROPOSALS: NAVIGATING THE BASICS OF PROPOSAL WRITING FOR BEGINNERS

Pune Knowledge Cluster (PKC), is organizing an online workshop for training students in writing project proposals. This basic workshop aims to help college students and early Ph.D scholars in conceptualizing, framing and writing their scientific proposal that are often used while applying for scholarships/grants.

Participants will learn how to:

- Define project objectives and scope accurately for proposals
- Build clear, concise, and persuasive proposals
- Learn best practices for submitting proposals and following up

*Participants will get the opportunity to have interactive sessions and receive constructive feedback*

## **Eligibility**

*Students pursuing Undergraduate or Post-graduate courses or Ph. D in Science and Engineering*

**WEDNESDAY,  
3<sup>rd</sup> July, 2024  
04:30 PM - 05:30 PM (IST)**
